## EDUCATION

**University of Central Florida** - Orlando, FL

January 2021 - Present

Major: Computer Science

GPA: 3.738

- College of Engineering and Computer Science
- Dean's List Honors: Spring 2021 - Summer 2022
- President's Honor Role: Fall 2022
- Expected Graduation: Fall 2023 with a Bachelor of Science

*Relevant Coursework:*

- Computer Science II
- Analysis of Computer Communication Networks
- Algorithms for Machine Learning
- Database Systems
- Object-Oriented Software Development
- Computer Logic and Organization
- Discrete Structures
- Programming Languages

**Indiana University, Kelley School of Business** - Bloomington, IN

August 2017 - May 2020

Major: Entrepreneurship and Corporate Innovation

- Direct Admission to Kelley School of Business
- Dean's Scholarship Recipient
- Earned 44 Credit Hours towards Bachelor of Science in Business

## EXPERIENCE

**Cyberfields.io** - Orlando, FL

April 2021 - May 2021

*System Administrator*

- Spearheaded the deployment of a 10+ Petabyte Chia Proof of Space node cluster
- Developed custom startup and configuration scripts in Bash and Python to automate the server setup and boot process
- Refined and tested a custom Linux Kernel in an attempt to improve system performance

**Stifel Financial Corp.** - Boca Raton, FL

May 2017 - August 2017

*Client Intern Associate*

- Assisted in the deployment and maintenance of IT systems, including setup of hardware and monitoring of software issues
- Managed client requests and provided administrative support to ensure smooth operations
- Contributed to the maintenance and organization of client account records

## ACTIVITIES

**UCF Computer Science Foundation Exam** - Orlando, FL

January 2022

- Demonstrated knowledge of key computer science concepts such as algorithms, data structures, and programming languages in a rigorous, timed exam

**Hutton Honors College** - Bloomington, IN

August 2017 - May 2020

- Participated in the most challenging classes the Kelley School of Business had to offer

## SKILLS

**Programming Experience:**

3+ years:

- Java
- C

2+ years:

- Bash

1 year:

- C++
- SQL

6 months:

- JavaScript
- Haskell

Linux System Administrator (Red Hat/Debian/Gentoo), Algorithm Analysis and Design
